2 | Limits of Liability
This warranty only applies to water meters produced by NextCentury, and does not cover any products which have been damaged by misconduct, negligence, vandalism, acts of God, excessive operating conditions or unauthorized attachments or modifications. This warranty will be nullified and void if products are placed in a non-recommended installation application/fashion or are converted, altered or treated by other than NextCentury recommended procedures and instructions, or are read by equipment not approved by NextCentury.

NextCentury’s liability and customer’s exclusive remedy under this warranty is expressly limited to repair or replacement of the product at NextCentury’s option and conditioned upon the customer returning the product(s) to the location designated by NextCentury within the guarantee periods or limits stated herein and prepaying the freight costs both to and from such location. In no event shall NextCentury be liable for costs or expenses associated with the removal or installation of products under this warranty.

NextCentury shall have no liability or responsibility to the purchaser or any third party for any loss, cost, expense, damage or liability, whether direct or indirect, or for special, incidental, indirect or consequential damages of any kind, regardless of whether such liability is based on breach of contract, tort, strict liability, breach of warranties, or otherwise, and even if advised of the likelihood of such damages. Incidental and consequential damages include, but are not limited to, lost revenue, loss of profits, data, business or goodwill. In addition, damages resulting from negligence on the part of the customer including, but not limited to, the care and maintenance of NextCentury products, or damages resulting from negligence regarding periodic testing of the product’s performance, are not covered under this guarantee.
