

Warranty

Accessories and Miscellaneous Products

1 | Scope of Warranty

This guarantee applies to all products produced by **Next Meters**, **NextCentury Submetering Solutions**, **Meter Technology Werks (MTW)**, or **Meters & Electronics (M&E)**, used in accordance with published Technical Specifications and when installed in accordance with published installation instructions, both as in effect as of the date of Next Meters' shipment of the product. This guarantee applies exclusively to the original purchaser when product is purchased from either Next Meters or its authorized distributor or installer ("Business Partner").

2 | Materials and Workmanship

If used and installed as described above, Next Meters guarantees product covered by this guarantee to be free from defects in materials and workmanship for a period of 18 months after installation or 18 months after shipment by Next Meters or its authorized Business Partner, whichever occurs first.

With respect to equipment and parts purchased from our qualified suppliers, we will honor the same aforementioned warranty, to the extent possible. However in such cases of suppliers' equipment and parts, the suppliers' products must be used in accordance with their published Technical Specifications and installed in accordance with their installation instructions, both as in effect as of the date of shipment of the product. The suppliers' specifications and instructions supersede any verbal or written instructions from Next Meters or its representatives, and must be followed in order for said warranty to be in effect. Warranties are extended only to the Buyer whose name is shown on Company's invoice and/or contract.

Accessory & Misc. Product Warranty

3 | Claims

Any product covered by this guarantee that fails to meet the terms of the stated guarantee will be repaired or replaced, at the option of Next Meters, without additional charge to the customer, if it has been proven to be defective in material or workmanship upon manufacturer's examination. Customer is responsible for removing the product from service, returning it to the factory service center designated by Next Meters, providing a written or electronic (facsimile or e-mail) claim notice, and for freight costs to and from the service center. Customer is also responsible for reinstalling repaired or replaced product. Manufacturer's liability shall never exceed selling price of the product or assembly in question.

4 | Exercise of Warranty

No employee, agent or representative of Next Meters is authorized to make any warranty, guarantee or representation until (a) the product is delivered to the factory service center designated by Next Meters, (b) the product is accompanied by a Material Return Authorization, and (c) all costs of delivery to and from the service center are assumed by the purchaser of the product.

5 | Limits of Liability

This guarantee does not apply to products damaged by aggressive water conditions, foreign matter in water, vandalism, negligence, installation not in accordance with Next Meters' installation instructions, mis-application or other use not as described above, acts of God or other conditions beyond the control of Next Meters. Next Meters disclaims all liability for damage its products caused as the result of improper installation, maintenance, use or attempts to operate products beyond their intended functionality, intentionally or otherwise. Next Meters is not responsible for damages, injuries or expenses incurred through the use of its products. This guarantee is null and void if a product is altered by the addition of any item not manufactured by or on behalf of Next Meters for its specific model and size. If a product is claimed to breach the accuracy guarantees as stated herein, the customer shall submit a certified copy of the test results at the time the product is returned to Next Meters. The guarantees as to accuracy shall be void if an examination of the customer's water supply shows an unusually adverse effect on metering equipment.

Any description of product, whether in writing or made orally by Next Meters or its agents, specifications, samples, literature, models, bulletins, drawings, diagrams, engineering sheets or similar materials used in connection with any customer's order are for the sole purpose of identifying product and shall not be construed as an express or implied guarantee. Any suggestions by Next Meters or its agents regarding use, application or suitability of product shall not be construed as an express or implied guarantee unless confirmed to be such in writing by Next Meters.

The laws of the State of Utah, excluding its conflicts of law rules shall exclusively govern this guarantee. If any provision hereof, partly or completely, shall be held invalid or unenforceable, such invalidity or unenforceability shall not affect any other provision or portion hereof and these terms shall be construed as if such invalid or unenforceable provision or portion thereof had never existed.
